ON PETITION

This is a decision on the petition under 37 CFR 1.181, filed August 11, 2008 (certificate of mailing date August 7, 2008), requesting that the Office withdraw the holding of abandonment of the above-identified application.

The petition under 37 CFR 1.181 is **GRANTED**.

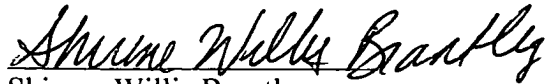

This application was held abandoned for failure to respond in a timely manner to the non-final Office action, mailed September 20, 2007, which set forth an extendable three (3) month period for reply. The Office contended that this application became abandoned on December 21, 2007 for failure to reply to the September 20, 2007 non-final Office action. A Notice of Abandonment was mailed on March 28, 2008.

Petitioner requests withdrawal of the holding of abandonment based on the assertion that a petition for a three month extension of time and an amendment were timely filed on certificate of mailing date March 20, 2008 and received in the Office on March 24, 2008. The undersigned finds this argument completely convincing, as these documents are present in the application file and Office financial records shows that the required three month extension of time fee was charged on March 24, 2008. The certificate of mailing date for the payment was March 20, 2008. Therefore, the three month extension of time and amendment were timely filed.

The petition under 37 CFR 1.181 is **granted**, the holding of abandonment is withdrawn, and the March 28, 2008 Notice of Abandonment is **vacated**. No petition fee has been or will be charged in connection with this matter.

Accordingly, the application file will be forwarded to Technology Center A.U. 3693 for consideration of the amendment filed on March 24, 2008 (certificate of mailing date March 20, 2008).

Telephone inquiries pertaining to this matter may be directed to the undersigned at (571) 272-3230.

**REQUEST FOR REINSTATEMENT AND/OR
WITHDRAWAL OF ABANDONMENT**

Dear Sir:

Applicant is in receipt of the Notice of Abandonment dated March 28, 2008 in the captioned application. This Notice indicates that the application was abandoned because of "Applicant's failure to timely file a proper reply to the Office letter mailed on 20 September 2007." Applicant respectfully requests reinstatement of the application on the following basis.

Applicant filed the following documents, with a properly executed certificate of mailing under 37 C.F.R. 1.8(a), on March 20, 2008:

- Response to Official Action of September 20, 2007;
- Transmittal of Amendment; and
- Request for (three-month) Extension of Time with Applicant's Check No. 4176 in the amount of the \$525.00 fee for a three-month extension of the time to respond.

Receipt of the above-listed documents by the Office was acknowledged by date stamp on the return postcard included with those documents at the time of filing. Copies of the above-listed documents are enclosed for the convenience of the Office, as is a copy of the PTO-stamped postcard indicating the Office's acknowledgement of receipt.

Two telephone calls to the Examiner inquiring as to reinstatement prompted no action to reinstate this application, nor did a telephone inquiry to the Office's Customer Service line cause the Office to act in the case. Applicant therefore files this written Request for withdrawal of the Notice of Abandonment of the application, reinstatement of the application, entry of the amendments outlined in Applicant's Response to Official Action of September 20, 2007 and consideration of the remarks set out therein, reconsideration and withdrawal of the rejections, and passage of the application to issuance.

Although there should not be any fee for this request for reinstatement, in the unforeseen event a fee is assessed, the Commissioner is authorized to charge the Deposit Account of Wisner & Associates, Account No. 50-0965 (SCHC,002).

Respectfully submitted,
